A4 WAGYU RIBEYE

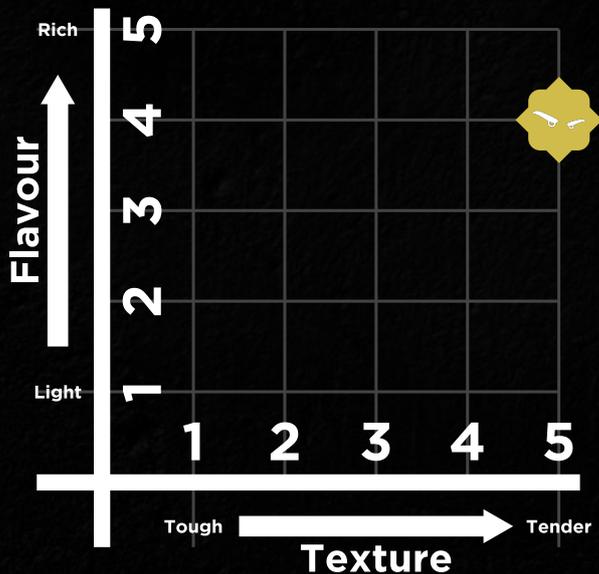

The Ribeye comes from the rib portion of the cow. Our cuts are taken from the best center portion or the "eye" of the entire Wagyu rib, resulting in marvellous marbling that is perfect for a very juicy steak.

サーロイン Saroin [Shio / Tare]

\$17.90

The Oyster Blade:

Located just under the shoulder blade, this rare cut yields only about three kilograms from each cow and has a complex, rich flavour as it's a muscle that did plenty of work.

BEEF
TASTE
PROFILE:

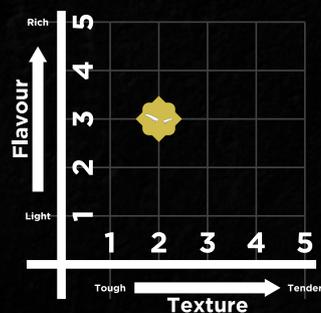

ハラミ Harami [Shio / Tare]

\$24.90

Outside Skirt Steak:

The skirt steak is close to the diaphragm area of the cow, and has a bold, almost minerally-flavour that takes well to marination.
